Children's Education Hour at Messiah Lutheran Church

All children in PreK through sixth grade are invited to join us the second Sunday of each month in the Messiah School gym from 9:45-10:45 am for a creative and interactive hour together as we explore and experience Bible stories.

High School Youth will lead children through stations - including games, crafts, music and snacks - to help reinforce the Bible lesson.

Parents are welcome to join us or can attend the adult Second Sunday session.
